Hi Folks

I understand Syracuse University has a program available which you would like to discuss with Port of LA High School.

I have CC'd one of our counselor's, Lucia Valdivia on this email regarding the topic with the suggestion you send her an email per her email or calling her at 310-832-9201 for a connection.

I just spoke to her to let her know you would be in touch or if you can forward me you cell phone number, I can have Ms Valdivia contact you.

Another option is if you would like to call me on my cell phone, I can get your cell phone number and arrange for her to call you - whichever is easier for you.

Regards,

We look forward to having your presence in downtown San Pedro.
